

Parish Basic Allowance

As the Parish Remuneration Panel has made no recommendation on the level of Basic Parish Allowance, Cuxton Parish Council has set the allowance at £88.71 per annum.

The allowance is payable to all elected members of Cuxton Parish Council.

In reaching this decision Cuxton Parish Council took into consideration the following recommendations of the Independent Remuneration Panel and the Parish Remuneration Panel.

1. The Independent Remuneration Panel has set the Allowance for the Leader of Medway Council at £25542.67p and the basic members allowance at £8696.67p. The basic members allowance is equal to 34% of the Leaders allowance.
2. The Parish Remuneration Panel has recommended that the allowance for the Chairman of a Parish Council should be 3% of the basic allowance for a Member of Medway Council. This is equal to a sum of £260.90p.

The allowance set by the Parish Council is equal to 34% of the allowance recommended, by the Parish Remuneration Panel, for the Parish Council Chairman.
